Weekly Safety Meetings Premium Program for Illinois Sign Association Members

Electronic format and Library access. E-mail delivery of new standard topic Weekly Safety Meetings plus unlimited access to all topics in our online library of meetings.

👉 What do you get?

Premium Membership delivers the Weekly Safety Meetings: One meeting for each week of the year, and you receive them once each month. With Premium Membership you conveniently receive the meetings via e-mail in a PDF (Adobe Acrobat's Portable Document Format) PLUS you have unlimited access to the entire [Online Library](#) of Weekly Safety Meetings with the option to tailor your training.

👉 Why purchase a Premium Membership?

The Premium Membership was designed to solve two needs: first, our clients wanted to receive the meetings electronically because they are easier to manage, control, and use; second, many clients want to train with the most relevant material possible. The Online Library grants access to a wide variety of meetings from which to choose topics, so safety training always matches the work the employees are doing. You get 52 Weekly Safety Meetings throughout the year plus on-demand access to all of the content in the Online Library.

👉 How does it work?

Premium Membership offers the monthly delivery of brand new weekly meetings and quizzes each month. Each month we'll send you an e-mail message with the month's meetings attached as a PDF. Use these meetings or download any other topics from our Online Library. When it's time to hold the meeting, we recommend that you read the text once beforehand; then read the meeting to your crew, have everyone sign the form, get them back to work, and file your signed copy as proof of your training session.

Having signed copies of your Weekly Safety Meetings in your files can prove invaluable down the road; demonstrating to OSHA inspectors that you do maintain ongoing safety training. These signed documents may even come to your aid in a liability, negligence, or personal injury lawsuit.

Premium Membership gives you the choice and flexibility you need to match your training to the hazards your employees are going to encounter during the week.

👉 Pricing :\$99 for any Illinois Sign Association member (or \$99 per e-mail recipient)
