This month's ISA Digital **iMAGES** newsletter comes from the Tinley Park Convention Center where the ISA Board of Directors is convening to develop details behind the 2022 operating plans for the association. Results of the strategic planning conference will be shared with members as they are finalized. The plan includes Advocacy, Member Events, Member Programs, and overall operations.

## ***Spring All-Member Meet and Greet plans***

Look for the special event hosted by LEGACY SIGN GROUP later the spring.

## ***International Sign EXPO-May 4-6, 2022***

Members are encouraged to attend the International Sign Expo in Atlanta on May 4-6. Join several members of the ISA Board for learning, new technologies and products. [www.signexpo.org](http://www.signexpo.org)

## ***2022 Membership Directory online!***

Click here to review the newest edition of the 2022 Membership Directory. Many thanks to those members who have forwarded their 2022 dues payments if your dues are not current, pay via the ISA Website here. [Pay Dues Here](#)

### [2022 Membership Directory](#)

Be sure to check your listing and let us know if any corrections are necessary. REMEMBER 2022 dues deadline is March 31 at which time unpaid members will be deleted from the ISA roster.

## ***Invite Sign Shops and Supplies to join!***

We invite new members to join the association and encourage side jobs and members of the allied trades to reach out to other companies and invite them to join. [Membership Information](#)

# Illinois SIGN EXPO

**MARK YOUR CALENDAR!**  
**Illinois SIGN EXPO**  
**October 11-12, 2022**  
**Tinley Park Convention Center**

## [2021 Sign EXPO Recap Edition](#)

Be sure to save the date for October 11 and 12th for the Illinois Sign EXPO featuring the ISA Annual Meeting and Awards Program. The planning committee is excited about the successful live event held last year and plans to add more programming and participation this year.

## ***Chicago Sign Ordinance now in effect***

Please provide feedback to headquarters regarding questions and experience with the new Chicago sign ordinance and its desired improvements to expedite sign permit issuing. A task Force is in place and will continue communications with city departments.

## ***ISA Industry Partners***

Our ongoing special thanks to the industry partners as listed below they provide expertise and support of sign shops throughout the state be sure to contact them with questions and needs.
